

# GARDEN LOFTS

875 SQUARE FEET

The Garden Loft offers the best of authentic – style loft living with new construction and smart design layouts. Experience your own private ground level courtyard. Step in to soaring ceilings, open concept spaces and sun-drenched style provided by oversized doors and windows. The combined living and dining areas offer plenty of space to entertain. The Kitchen features a chef's island that is ideal for cooking, serving or eating at. The Master Bedroom has a large, optional sliding “barn” door to provide privacy when needed. Storage is ample with closet, walk-in and even storage above accessed by a handy rolling ladder.
